

QTC2017 conference

Mesoscopic Transport and Quantum Coherence 2017
August 5-8 2017, Espoo, Finland

Official satellite of LT28

Topics e.g., electron transport, superconducting qubits and hybrid circuits, quantum thermodynamics, circuit QED, cavity optomechanics, topological and 2D materials

Registration and abstract submission now open

April 30 Abstract submission deadline

May 31 Early bird registration deadline

VENUE

Hanasaari Swedish-Finnish Cultural Centre
10 min from downtown Helsinki

hanaholmen.fi/en/

Local organising committee at Aalto University
Conference chair prof. Mika Sillanpää mika.sillanpaa@aalto.fi
Conference secretariat qtc2017@aalto.fi
